

The Bungle Inthejungle filly out of Secret Existence (Emma Bedford up)

## A change for KP 39-Gold

**S**ADLY, the Showcasing colt out of Natalie's Joy who was scheduled to be part of the Kingsley Park 39 – Gold Partnership has had to be put down. As a result, it has been decided that the Bungle Inthejungle filly out of the Sakhee's Secret mare, Secret Existence, will join the partnership team.

The chestnut filly, foaled on April 7, was bought by Johnston Racing as part of Book 1 at last year's Goffs Orby Yearling Sale, having been consigned by Kildaragh Stud.

A son of the speedy Exceed and Excel, Bungle Inthejungle was a precocious juvenile who landed four wins as a two-year-old, including the Group 3 Molecomb and Group 3 Cornwallis Stakes. Now standing at Rathasker Stud, he has produced a number of very speedy sorts including Winter Power, winner of the Group 1 Nunthorpe Stakes, and Living In The Past, winner of the Group 2 Lowther Stakes.

The dam of this filly, Secret Existence, began her career in France, where she was placed in eight of her 10 starts at two and three, including in the Listed Prix Isonomy at Deauville and the Prix Melisande at Compiègne.

Transferred to Ireland, she landed a maiden event over 10 and a half furlongs at Dundalk.

In the paddocks, Secret Existence has produced two previous foals. The first, Have Secret, by Havana Gold, won twice as a juvenile and reached a mark of 92. Having cost €60,000 as a yearling, Have Secret fetched £100,000 at the Horses-in-Training Sales at the end of his three-year-old campaign. The second foal, Roman Secret, by Holy Roman Emperor, won a Wolverhampton nursery in November and has been placed in three of her other five starts.

In KP 39-Gold, this filly joins the colt by Lope De Vega out of the New Approach mare, Asyad, and the Saxon Warrior colt out of the Cityscape mare, Dan's Dream. ■
